

**REMARKS**

Claims 1-12, 22 and 24-25 are pending in this application. By this Amendment, claims 5 and 10 are amended. No new matter is added.

Applicant respectfully submits that the amendments should be entered under 37 C.F.R. §1.312 and MPEP §714.16 because they (1) correct formal matters without changing the scope of the claims; and (2) will not require substantial additional work by the Examiner.

The amendments correct informalities that were first discovered after receiving the Notice of Allowance. Specifically, claim 5 at line 20 is amended to change "a first power source line" to "the first power source line". Claim 10 at lines 2-3 is amended to exchange "unit circuits" and "first power source lines", consistent with claim 11, for example. Claim 10 at line 17 is amended to change "in which in" to "in which".

Should the Examiner have any questions in this matter, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
